FREQUENTLY ASKED QUESTIONS

Q: For which level is this masterclass suitable for?

A: This masterclass is designed for chess players with a minimum level of intermediate. It's ideal for serious players looking to significantly improve their middle game understanding and skills.

Q: How much time commitment is required outside of the sessions?

A: Participants are expected to spend about 2-3 hours per week on applying the learning in games. Active participation in the community discussions is also encouraged.

Q: Can I interact directly with the Grandmasters during the sessions?

A: Yes, each session includes a Q&A segment where participants can ask questions directly to the Grandmaster instructor. Additionally, the online community provides opportunities for further interaction.

Q: What makes this masterclass unique compared to other online chess courses?

A: This masterclass stands out due to its focus on middlegame strategies, the caliber of the instructors (world-renowned Grandmasters), and the comprehensive curriculum covering both theoretical and practical aspects of middlegame play

Q: Is there any support available after the Masterclass ends?

A: Yes, you will have online support from assistant coaches after the Masterclass concludes and receive a discount on future advanced courses.
